Abstract

Put the abstract here.

I. Introduction

Give the overview of research problems (domestic and overseas).

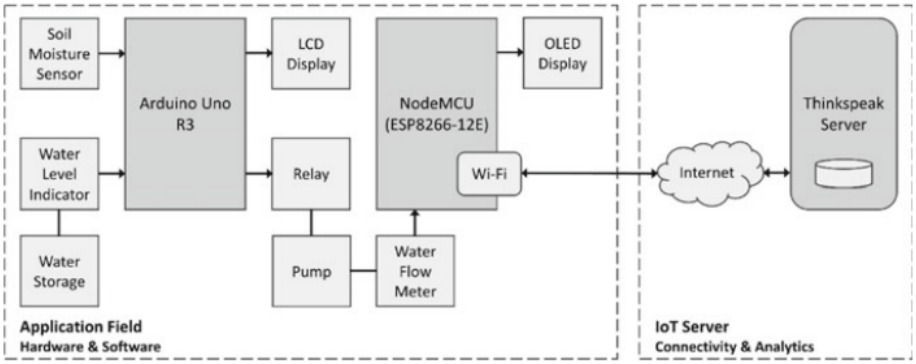

Fig. 1. Block diagram of the developed system.

II. Main proposal

Necessity and topicality, *the scientific and practical* significance of the research topic.

A. System models and block diagram

B. Components and peripheral devices

C. Software programming

D. Programming Flowchart

III. Results and discussion

A clear concise description of the research methods used.

A. Prototype Implementation

Cite here [**?**]

B. Experimental Results

C. Discussion

IV. Conclusion

Give a clear concise description of the project's outputs [**?**]

This is an example of a citation. For papers published in translation journals, please give the English citation first, followed by the original foreign-language citation [**?**], [**?**], [**?**], [**?**] [**?**].
